# Triangle Asian American Health Fair

# 2008

The primary goals for this health fair are:

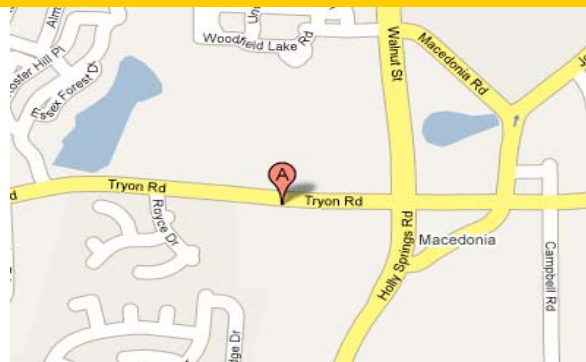

- To provide information about top health concerns affecting Asian Americans
- To promote services offered by Triangle Asian American health care professionals
- To highlight specific Triangle Asian American health needs, data gaps, and service gaps

The Triangle Asian American Health Fair will consist of:

- Health talks (45-60 minutes long) on cardiovascular health, hepatitis, bone marrow registry, diabetes, and elder care
- Ask the Expert (1 on 1 consultation with MDs, nurses, mental health professionals, dentists, and safety experts.)
- An exhibit hall with 50+ screenings, information tables, and referral services in the Triangle
- Demonstrations on nutrition, CPR, yoga, stress management, and more...
